

System 1600

Four Person / Six Radio System

RS-1600 Crewmember Station

Separate three-position toggle switch for each radio lets the operator select OFF/Monitor/PTT for each radio at his position. Radio audio for radios 1, 2 & 3 is turned off for this crewmember.

Radio #4 is being monitored;
Radio #5 audio is turned off for this crewmember;
Radio #6 is being keyed by this crewmember.
